Students who have passed an examination may not retake it in order to improve their grades.

Grades

ECTS

Other information

Planning and implementation of a course must take its starting point in the wording of the syllabus. The course evaluation included in each course must therefore take up the

question how well the course agrees with the syllabus.

The course is carried out in such a way that both men's and women's experience and knowledge is made visible and developed.

Subject area

Statistics

Disciplinary domain

Technology

Department

Department of Computer and Information Science (IDA)
